Our Trusted Experts Are Here to Help.

- CarePatrol is a senior care solutions organization that helps families and individuals find the right care options for their loved ones based on their needs, budget and location.
- Our Local Senior Care Advisors are well-versed in the senior care transition process.
- We are your advocate and guide throughout the care transition process and beyond.
- We accompany families on facility tours to provide support and ask the right questions.
- Our Local Senior Care Advisors can meet in an environment that works best for you—local hospital, residential care homes, place of employment or even your home—to discuss your loved one’s care needs.
- We are experienced with working with case managers and social workers in planning safe hospital and residential care homes discharges.
- Our professional recommendations are unbiased and independent. We do not work for communities.
- We provide a list of appropriate care solutions according to the needs of each individual and resources, to ensure that you can make an informed decision.
- We will assist you with state or federal funding options that can help pay for Assisted Living. Please inquire with us about our VA Aid & Attendance Program for qualifying veterans.
